Great Resource for Parents

As you are well aware, students in grades 3-8 and 11 will take a very important state assessment in the spring. These assessments measure your child's progress on the California State Standards. There is a great website for parents to access to understand how to read the score reports that accompany these assessments as well as to preview the types of questions that your child will be asked. The website is <https://ca.startingsmarter.org/>. Let us know if you have any questions or if we can help you log on.

Girls on the Run

Girls on the Run is coming to Hooker Oak! This after-school program builds confidence and life skills as well as a lifetime appreciation for health and fitness - it is way more than a running program! Open to girls in grades 3-5. Sign-ups begin January 21st; the program runs from February 17th to May 7th (Mondays and Thursdays, 2:35 to 4:00). Information flyers will come home in January. Please see Teacher Jennifer for more info!
