 PTO Meeting-February 20th
 Book Fair-February 24th-28th
 End of 2nd Trimester-February 28th
 Spring Fling at Sierra Nevada-March 13th

Campus Safety & Gates

In our ongoing mission to ensure students safety, we have been grappling with the issue of our campus gates. Sadly, we have had some illicit activity occur on our campus and we want to do everything that we can to keep it safe for our students while balancing the competing interest of allowing access to the public. We decided that only keeping the gate on Arbutus Avenue near the kitchen unlocked for public access would make the most sense, as this gate has security cameras on it that would allow us to monitor access to the campus. This gate will continue to be locked during school hours. The rest of the gates will be kept locked. After a trial run, we realized that only having one point of entry creates much havoc and inconvenience during drop-off and dismissal time so we have now elected to keep gates unlocked during these times, but locked on nights and weekends (and of course, during the school day). We hope that this will help to improve the security of our campus while also keeping drop-off and dismissal safe and convenient. Thank you for your patience and understanding as we work through this!
