Awesome Math Resource

The benefits of reading stories to our children at nighttime have been shared countless times over, and for good reason. Reading improves literacy skills. Why is it that we don't do math with our children before bed?

Math Before Bed (<https://mathbeforebed.com/>) is a collection of prompts that can inspire mathematical discussions that you and your children can have before bed, at dinner, or anytime. Give it a try and let us know what you think!

Student Resource Officer (SRO)

We are very excited to share a Student Resource Officer (SRO) with all of the elementary schools in Chico Unified. Sergeant Greg Rogers will be stopping by throughout the year to make sure our campus is safe and to mingle with the kids. Be sure to say hi if you see him around campus and don't panic if you see his patrol car!

Parent Coffee

Parent coffee will be on 9/18 from 7:30 to 9:30 Please come join us in the hallway by the front doors to meet other parents and have coffee and some pastries.
