Hooker Oak Running Club

Do you like to run/walk? Do you feel like the best way to start the day is with a little exercise to wake up our brain? If you answered yes to either question, then join the Hooker Oak Running Club! Principal Emily will meet you out on the track at 7:45 a.m. every Tuesday and Thursday. Please note that **ONLY** Hooker Oak students who are joining the Running Club may be out on the field before 8:00. We will run/walk around the track for 20 minutes and will be tracking our laps to see how much distance we cover over the course of the program. The program will run from October 1st through November 21st.
