Attendance & Tardies

As a reminder, school starts each day at 8:10. Teachers are required to take roll within the first five minutes. Any student who arrives after 8:10 must come through the office and will be marked tardy. We appreciate you making every effort to get your children to school on time every day, as tardies are very disruptive not only to the class as a whole, but to the individual child. Thank you for helping us to model the importance of being on-time for our students! We are working as a village to make sure they are college and career ready!
