5th Grade and Form 10s

Form 10s for the 2020-2021 school year are now available online at the Chico Unified School District website. A form 10 must be completed if you wish for your student to attend a school other than your school of residence. To see what school your student will attend based on your residence, please log onto the Chico Unified School District website. Type in school locator on the search bar. Follow the prompts. From the locator page type in your home address, hit enter. From the dialogue box, click #2. Your schools of residence will then appear on the left side of the screen. If you wish for your student to attend a school not listed in the column, you must complete a Form 10 by January 23rd to make our lottery.
